

FRIENDS OF KAISERIN-FRIEDRICH- GYMNASIUM

Since its founding more than 20 years ago our parents' organization FRIENDS of KFG supports our school community by financing various projects which exceed the means covered by government funding.

We provide additional resources to enrich our students' school experience and strive to create improved and future-oriented learning conditions. We work closely with the head of the school, the teachers and the parents' council to find the best ways to support their needs.
